RESEARCH PARTICIPANTS NEEDED FOR A TREATMENT STUDY OF ANOREXIA NERVOSA

Investigators at the Centre for Addiction and Mental Health are looking for participants to take part in a treatment study for anorexia nervosa.

Eligible participants must be:

- **Between 18 and 55 years of age**
- **Currently have anorexia nervosa**
- **Have a body mass index (BMI) between 14 and 18.5**
- **Willing to consider taking medication**
- **Available for weekly check-in sessions at the Centre for Addiction and Mental Health (250 College Street)**

You do not need to stop current psychological treatments in order to take part in this study.
