### 4 Driving (Panel B + Online D)

| drive     | During the past 12 months, have you driven a car, van, or any other type of motor vehicle? | 1                 | 1                 |                   |                                     |
| dr1,a,b,c,d| How much you drive in a typical WEEK - km/ miles                                            | 5                 | 2                 |                   |                                     |
| dr5       | During the past 12 months, have you been in a collision                                      | 1                 | 1                 |                   |                                     |

### Drinking & driving (past 12m)

| dd1       | During the past 12 m, have you driven a motor vehicle                                       | 1                 | 1                 |                   |                                     |
|           | after having 2 or more drinks in the previous hour                                           |                   |                   |                   |                                     |
| dboat, dsnow| Boating, snowmobile and drinking                                                            | 2                 |                   |                   |                                     |
| drtext    | Texting and driving (from OSDUHS) (new 2015)                                                | 1                 | 1                 |                   |                                     |

### 5 Cannabis

| cn1       | Cannabis lifetime use                                                                       | 1                 | 1                 | 1                 | 1                                     |
| cn2       | Cannabis last 12 months                                                                     | 1                 | 1                 | 1                 | 1                                     |
| reg1      | Cannabis used medically                                                                     | 1                 | 1                 | 1                 | 1                                     |
| medcan    | Did you have medical approval (new 2014)                                                    | 1                 | 1                 | 1                 | 1                                     |
| tp107b    | Cannabis mixed with tobacco (new 2015)                                                       | 1                 | 1                 |                   | 1                                     |

### Cannabis Use & Driving (Panel B + Online D)

| cdr1      | Driving after cannabis use (past 12 months)                                                 | 1                 | 1                 |                   |                                     |

### Dependence/Problems (Panel B)

| can3m     | Use past 3 m                                                                                | 1                 |                   | 1                 |                                     |
| cn30      | Use past 30 d                                                                               | 1                 | 1                 |                   |                                     |

### WHO-ASSIST

| cnas1     | Strong desire to use                                                                        | 5                 |                   | 5                 |                                     |
| cnas2     | Use led to health, social, legal problem                                                    |                   |                   |                   |                                     |
| cnas3     | Failed to do what was normally expected                                                     |                   |                   |                   |                                     |
| cnas4     | Smm expressed concern                                                                       |                   |                   |                   |                                     |
| cnas5     | Tried and failed to cut down or stop using                                                   |                   |                   |                   |                                     |

### 5B Cannabis Policy

<p>| cnp1      | Legalizing cannabis                                                                          | 4                 | 4                 |                   |                                     |
| cnp2      | Adults should be allowed to grow cannabis for personal use                                   | 3                 |                   | 3                 |                                     |</p>

[r] Over the next year, University of Toronto will be conducting research on people's experiences with e-cigarettes. This study involves asking questions on people's attitudes toward e-cigarettes, knowledge of potential risks, and history of using e-cigarettes.

If you agree to be re-contacted in the future about this study, a health professional involved in our study will phone you sometime over the next year, and you would be asked to give information on your experiences with e-cigarettes.

[r] Would you be willing to participate in such a study if you were asked? [n]

[bold][yellow]
Interviewer, if necessary: It's ok if you don't currently use e-cigarettes, we are still interested in your opinions.

Interviewer, this new research would take place 6 to 12 months after this interview. It will take about 15 minutes to complete.
[n][white]
1 yes, gives name and phone number
 r no, refused  @
