

# CAMH Simulation Centre Virtual Reality Opioid Overdose Response Training

<https://www.camh.ca/opioid-response-training> 

## Instructions on how to access the training:

1. Select the link from your computer.
2. Select "Create new account."
3. Fill in the information fields and select "Create my new account."
4. Select "Continue" to confirm your account.
5. Check your email inbox for an account confirmation email.
  - Note: If there is no confirmation email in your inbox, check your junk or spam folder.
6. Follow the steps in the email to confirm your account.
7. Once you've confirmed your account (using the link in the confirmation email):
  - on the Simulation Centre home page, scroll down to "Opioid Overdose Response Training" and select "Access course."
  - This course does not have an enrolment key. Select "Enrol me."
8. Once you are in the course, review the "Getting started" section and complete the activities before beginning the simulation.

## Technical support

If you require technical support and/or have accessibility inquiries, please contact [courses.help@camh.ca](mailto:courses.help@camh.ca).
