

# RBC Patient and Family Learning Space

## Harm Reduction Community Services Pop Up

**Do you want to learn more about Harm Reduction and help encourage safer substance use in your own life or for someone you love?**

**Drop in between 2 - 4 PM!**

Staff from CAMH clinics and community services will:

- give away free harm reduction resources
- teach you about BTNX drug testing strips and where to get them
- provide Virtual Reality Opioid Overdose Prevention training
- give away free Naloxone kits and training
- offer one on one employment support
- provide information about free education through the Collaborative Learning College
- get you signed up for Toronto Public Library services

**All patients, families, and community members are welcome!**

**CAMH Simulation  
Centre and  
COMPASS**

**When?**

**October 14th  
November 11th  
December 9th  
2 PM - 4 PM**

**Where?**

**RBC Patient and  
Family Learning  
Space**

**10 AM - 4 PM  
Monday - Friday**
