THIS IS NOT A TEST. These questions are to find out what students, like yourself, know about alcohol and other drugs (for example, tobacco, cannabis, and medical drugs), and how you feel about alcohol and other drugs. There is no assumption that students who answer the questionnaire have ever used alcohol or other drugs. This survey also asks about your general health and how you are feeling.

DO NOT PUT YOUR NAME ON THIS SURVEY. The information you give will be kept completely secret and confidential. Therefore, we ask you to be completely honest and accurate when you answer the questions. If you do not want to answer a question, leave it blank. Also, you may stop the survey at any time.

Thank you very much for your help!
